Counselor and Chief of Staff

– On June 8th, John Podesta, formerly Chief of Staff to President Bill Clinton and Counselor to President Barack Obama, presented Dr. Andy Khawaja with a personal letter for his generosity and commitment. Podesta said, “Remember we only control the medal of freedom and you control peace in the Middle East! Great seeing you.” Amongst all of Dr. Khawaja’s passions, peace and philanthropy are something he believes in strongly.
